

Draper Aden Associates

Engineering • Surveying • Environmental Services

National Public Radio's affiliate WVTF's June 9 broadcast of *Evening Edition* featured a live panel discussion about Water Supply Planning.

Mike Lawless, PG, Environmental Program Manager for Draper Aden Associates participated as a panelist along with representatives from the Virginia Department of Environmental Quality and the Western Virginia Water Authority.

The discussion is available on WVTF's website. To listen to the broadcast go to http://www.wvtf.org/news_and_notes/ee.php.
