Congratulations to our own Rick DiSalvo, PE, Vice President and Chief Operating Officer on assuming the role of Chair of the Virginia Section of the American Water Works Association.

Rick has been a member of the association for 31 years and has held various offices in this widely diverse group of water professionals whose goal is to ensure and provide safe drinking water for the citizens of the Commonwealth.

In his role as spokesperson for the 1,700 member strong organization, Rick will help steer their efforts as they continue to provide resources, education and support for continual improvement of the water community.
